Wilsonart-60 and -38 matte texture standard grade high pressure laminates are available at standard list pricing. Lead times may be extended based on availability at the time PO is placed. Contact Wilsonart at www.wilsonart.com or at 800-433-3222 to view or request laminate samples. Visit www.level4designs.com for a complete listing of our standard Wilsonart laminates. Custom laminates and additional top sizes are available at an upcharge. Extended lead times may apply. Contact customer service for special quotes. Note: Our tops are not pre-drilled and do NOT include hardware for base attachment.

*Standard edge colors for the 4902 and 4903 edge profiles: frosty white (01), light beige (02), khaki brown (03), dove grey (05), graphite (07), brownstone (08), black (09), fusion maple (10). Visit www.level4designs.com to view our standard edge colors. Additional edge colors available at an upcharge. Contact customer service for special quotes.

**4901 and 4901F are available in both polished and satin satin anodized aluminum finish options. (please specify option on PO)

Finish on tops is ML Campbell Krystal non-yellowing catalyzed conversion varnish.

Level 4 Designs uses select maple solids and veneers in the production of our tops. Veneers are thermally pressed onto the core material and sanded prior to the finishing process. Due to the natural variations in both solid wood and veneer, minor variations in color, grain and texture may occur. Special finishes are available upon request at a \$200 net upcharge. Other top sizes and materials are available. Contact customer service for special quotes.

Note: Our tops are not pre-drilled and do NOT include hardware for base attachment.
